FOREWORD

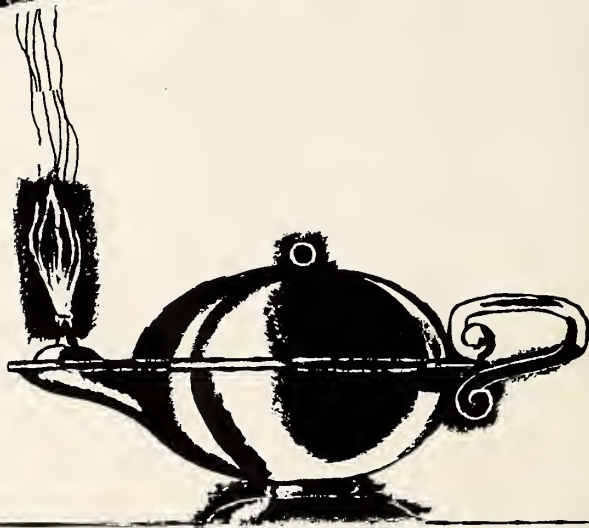

The Senior Class of "57" presents for your enjoyment this book of memories.

It is our hope that this edition will help you to remember all of the little things which go to make up life here at Kingville High School.

We see ourselves as you have seen us - dashing to classes, playing on the Athletic field, and participating in other activities.

Finally, this book reviews our past years here at Kingville School.

This annual, "The Panther", is left here for you to remember us by.

DEDICATION

Miss Louise J. Falls

We proudly dedicate the 1957 PANTHER to Miss L. J. Falls, third grade teacher. Each of us has benefited from her cheerful, assuring personality through the years.

We desire, in our years of service ahead, to emulate the high character qualities we have observed in Miss Falls.

PRINCIPAL'S MESSAGE

E. E. Waddell, principal
H. M. Stroud, secretary

One of the great contributions of education is an appreciation for service. From this thought, I would like to express my gratitude to the class of "57" for dedicating our Annual in honor of Miss Louise J. Falls; a teacher with love, appreciation, and a will to serve others. I am sure that Miss Falls' influence has been, and will be felt throughout every student's life.
